

We are all about golf

At Willowbrook Country Club, our membership philosophy is uncomplicated: **If you love to play golf and want to play in a relaxed, casual atmosphere, you belong here.** From the lowest to the highest handicapper, we enjoy each others company and the fine golf course that is a part of our long tradition.

Ease of access to the course and no waiting rounds of golf are among the advantages of joining a private club. Willowbrook has this and much more.

For those who love to play golf

Welcome to Willowbrook Country Club and our 150 acres of glorious golf holes located in a pristine, noise free setting. If you love the game of golf and want to play one of the finest 18 hole courses in Western Pennsylvania, Willowbrook is your course. Some highlights:

- 6,671 yards from the championship tees
- 54 sand bunkers and 27 grass bunkers
- 2 water hazards
- USGA course rating 73.2, slope 135

One of the unique features of our club is that we encourage members to walk and carry their clubs, however, they are welcome to use a handcart or ride if they choose. Many of our members own their carts and store them in facilities provided at the club. All of this makes:

Willowbrook Country Club
The #1 Golf Club in the area

Our Facilities

We have a full range of facilities to help improve your game, including a large practice driving range, two practice putting greens, and a practice sand bunker. The cart building conveniently houses both private and rental power carts.

Willowbrook Country Club has a full time PGA Professional on staff. A fully equipped Pro Shop provides several services such as club fitting, storage and maintenance of your golf clubs, and lessons to help further develop your game.

The clubhouse includes men's and women's locker rooms, club offices, a mixed grille, a men's grille, snack bar, and a fully stocked bar and restaurant. The restaurant is open 9 months of the year for breakfast, lunch and dinner.

Activities at Willowbrook

A wide variety of golf and social events are a part of each season. Golf activities begin in April and continue through October. Men's golf events include scrambles, stags, mixed member-guest, and member-member outings. At least three men's events are held each month during golf season.

The Willowbrook Women's Golf Association schedules tournaments and is active in the Women's Golf

Association of Western Pennsylvania. Willowbrook also offers events for couples and seniors, as well as sponsoring a Junior Golf Program for 8 to 18 year olds.

Willowbrook Country Club is a member of Western Pennsylvania Golf Association and the Tri County Golf Association, which provides for exchanges of golf privileges and shared facilities with other local private clubs at very low rates. Social events, dinners, and parties are scheduled throughout the year.
